A little about Fear

In the book Unfrozen I have spoken at length about Fear. It is one of the most passion killers and dream stealers you can experience. Fear as part of Fight, Flight and Freeze strategies were placed in us for our survival but they are often misused which causes us great stress.

There is another Fear factor and that is called Fear of the Lord.

When we think about Fear—it is an unpleasant emotion and fills our body with chemicals and hormones which feel uncomfortable—so that we can take life-change action. But God has a difference phrase called '*Fear of the Lord*'.

He does not mean for you to come before him in agony or terror—just think of how many times in the Bible He tells us not to be afraid and not to fear.

It is directly opposite our usual understanding of fear. This fear surrounds itself in awe, wonder and respect. It is one of the few things that God directly asks us to do, to 'fear Him'. "*What does the Lord your God ask of you but to fear the Lord your God, to walk in all His ways, to love him, to serve the Lord your God with all your heart and with all your soul*" (Deuteronomy 10:12).

Jesus gave talked about 'Fear of the Lord' in the two commandments He gave us: "*Love the Lord your God with all your heart, and with all your soul and with all your mind*" and "*Love your neighbour as yourself*" (Luke 10:27).

The *Fear of the Lord* simply means to Love Him

King David spoke about the fear of the Lord on His deathbed and left it as a final piece of advice to his family. It is the equivalent to asking Richard Branson for his top leadership tip.

*"The one who rules in the fear of God is
like the light of morning at sunrise,
like a morning without clouds,
like the gleaming of the sun on new grass after rain"*

(2 Samuel 23:2-4)

Fear of the Lord means stepping into God's fan club. You see He may be your No 1 fan but You need to be in His fan club!

Yes, this sentence is worth repeating, He may be your No 1 fan but You need to be in His fan club!

God is the real Hero here and it is my purpose in life to serve Him and serve Him with passion. It would be great if you could join me.

The Unfrozen journey that God has placed on my heart is to help people through their 3Ds, Disappointment, Disillusionment and Discouragement and into His glorious Deliverance.

It is giving space for you to rekindle their passion and to be the 'I Can' person that God creating you to be.

This is what I have now been commissioned to do, through my own 3D experiences to support people through theirs, opening the door to God's warming light.

Together we will melt the icebergs of frozen hearts, remembering your passions and dreams and forgiving and blessing others more.

This breaks the ice for me as I invite you on this journey with me—it could be your greatest adventure.
